PRESIDENT CHILTON LEADS CHAPTER TO SEVERAL NATIONAL AWARDS

What is the secret of forming a new chapter and two years later having a National Award winning chapter? Rev. Forrest B. Chilton would probably tell you that the secret is surrounding yourself with good people and he has certainly done that. While this is a good strategy, the members of the Gov. Isaac Shelby chapter would tell you that the main reason for the chapter's success is our President, Rev. Forrest Bond Chilton.

Regardless, the Governor Isaac Shelby Chapter has members who work as a team under the direction of Westmoreland Award winner, Rev. Forrest Bond Chilton. This has been a successful combination!

From the beginning, the GIS chapter has followed the tenants of the Sons of the American Revolution. Our activities are either Historical, Educational, or Patriotic. We have visited several battlefields, made presentations at several schools, and we have marked the graves of numerous Rev. War Patriots buried in Kentucky. Finally, we are # 1 in Service to Veterans. Three cheers for our President:

“Huzzah! Huzzah! Huzzah!”
