Vic Bitter with his Grandson, Logan Beaver.

Vic made a talk at Blackacre which included William Tyler's deployment with George Rogers Clark into the Illinois territory in 1779 and 1780.

Logan, you and your Grandfather look great!

You are welcome to take part in any of our activities. We can always use another flag carrier or someone to play the drums!

Highland Latin School Presentation

Scott Giltner made a presentation about the long-rifle at a second grade class of the Highland Latin School. The class had just read a story about a pioneer family. The book had a fairly detailed description of how the father would prepare and load his gun for hunting. So Scott gave a presentation on early firearms, all the tools required, and how a muzzleloader was loaded and fired.

Hardin County Department of Justice

Department of Juvenile Justice sign, Elizabethtown, KY.

Bob Bynum and Joe Parish display the Bennington Flag as Forrest Chilton tells the young people about each of our flags.

Members of the Gov. Isaac Shelby Chapter traveled to Elizabethtown, KY to give three presentations to youths who were either undergoing treatment or were locked up in the Regional Detention Center. We displayed items that were period correct with Revolutionary War times. We also did a flag folding and discussed our flag collection. The student inmates were attentive, took part in our discussions and seemed as if they enjoyed this diversion from their normal day. We wish them the best of luck in the future.

Members making this event were: Rev. Forrest Chilton, Dennis Scott, Joe Parish, Chuck Scott, Bob Bynum and Charlie Scott

Flags for Veterans Day

Scott Giltner, his wife Terry, and children Lara Rose, Elizabeth and Andrew set out flags by Veterans graves at Cave Hill Cemetery.

Chuck Scott headed a small group that placed about 1600 flags in his neighborhood to honor our military Veterans.

Chuck's was rewarded when several neighbors stopped their cars to say thank you and Veterans saluted as he passed by.

Merry Christmas
