### George Washington Lecture

Dr. A. Edward Fersht, a native of England and a Naturalized Citizen of our country, gave a very informative presentation on The Historical George Washington. The picture on the left shows Dr. Fersht, Joe Parish and KYSSAR President Forrest Chilton. On the right are some of the members who attended the lecture: Dr. Noble Roberts, Ed Myles, Bob Bynum, John Huffman and Tom Higgins.

## Center for Advancing America's Heritage

Several members from our chapter took part in two CAAH functions during January. In addition to doing a Show & Tell station, we also manned a flag station where we described some of our flags and showed the students how to fold a flag.

Dr. Noble Roberts spoke to the young people about the importance of communications during war time; Charlie Scott poses with students dressed in period clothes; Bob Bynum, Chuck Scott and Joe Parish do a flag folding demonstration; Marshall Wilkins, Bob Bynum and Joe Parish pose with some students.

The students got to ring the Liberty Bell, write with a quill pen and make their own flag.

**Thanks to John Clay Barnett  
for being there with his camera.**
